

## KATHY ZEBRACKI, PhD

ORCID iD: <https://orcid.org/0000-0002-5574-4854>

### EDUCATION

- 2000 BS Northwestern University (Human Development and Psychological Services)  
Honors Thesis Chairs: Dan Lewis, PhD & Marion Fitzgibbon, PhD
- 2003 MA Case Western Reserve University (Clinical Psychology)  
Thesis Chair: Dennis Drotar, PhD
- 2006 PhD Case Western Reserve University (Clinical Psychology)  
Dissertation Chair: Dennis Drotar, PhD

### TRAINING

- 2005- 2006 *Intern*, Department of Child and Adolescent Psychiatry, Children's Memorial Hospital (now known as Ann & Robert H. Lurie Children's Hospital of Chicago), Chicago, IL
- 2006- 2008 *Fellow*, Department of Psychology, Loyola University Chicago, IL

### LICENSURE/CERTIFICATION

- 2007- Illinois- Clinical Psychologist (071.007394)
- 2012- National Register of Health Service Psychologists (53401)
- 2012 Life Care Planning Pre-Certification Program, University of Florida
- 2013- Certified Life Care Planner, International Commission on Health Care Certification (1199)
- 2020- Association of State and Provincial Psychology Boards, Authority to Practice Interjurisdictional Telepsychology (5061)

### ACADEMIC APPOINTMENTS

- 2007- 2008 *Visiting Scholar*, Department of Neurological Surgery, Feinberg School of Medicine, Northwestern University, Chicago, IL
- 2009- 2010 *Lecturer*, Department of Behavioral Sciences, Rush Medical College, Chicago, IL
- 2010- 2014 *Assistant Professor*, Department of Behavioral Sciences, Rush Medical College, Chicago, IL
- 2012- 2015 *Affiliate Assistant Professor*, Department of Psychology, Loyola University Chicago, IL
- 2015-2021 *Adjunct Associate Professor*, Department of Psychiatry and Behavioral Sciences, Northwestern University Feinberg School of Medicine, Chicago, IL
- 2015-2022 *Clinical Associate Professor*, Department of Psychology, Rosalind Franklin University of Medicine and Science, North Chicago, IL
- 2022- *Adjunct Professor*, Department of Psychiatry and Behavioral Sciences, Northwestern University Feinberg School of Medicine, Chicago, IL
- 2022- *Clinical Professor*, Department of Psychology, Rosalind Franklin University of Medicine and Science, North Chicago, IL

### HOSPITAL APPOINTMENTS

- 2008- 2012 *Staff Psychologist*, Shriners Hospitals for Children, Chicago, IL
- 2008- 2013 *Assistant Investigator*, Scientific Staff, Shriners Hospitals for Children, Chicago, IL
- 2010- *Director of Predoctoral Practicum in Pediatric Psychology*, Shriners Hospitals for Children, Chicago, IL

2012- 2014 *Co-Director of Postdoctoral Fellowship in Pediatric Rehabilitation Psychology, National Institute on Disability and Rehabilitation Research, Advanced Rehabilitation Research Training, Shriners Hospitals for Children, Chicago, IL*

2012-2017 *Director of Psychology, Shriners Hospitals for Children, Chicago, IL*

2014-2021 *Associate Investigator, Scientific Staff, Shriners Hospitals for Children, Chicago, IL*

2018- *Chief of Psychology, Shriners Hospitals for Children, Chicago, IL*

2021- *Senior Investigator, Scientific Staff, Shriners Hospitals for Children, Chicago, IL*

#### **OTHER PROFESSIONAL POSITIONS**

2011- *Partner, Pediatric Rehabilitation Consultants, LLC*

#### Academic

1998- 1999 *Research Assistant, Department of Learning Sciences, Northwestern University, Evanston, IL*

1999- 2000 *Research Assistant, Department of Psychiatry and Behavior Sciences, Feinberg School of Medicine, Northwestern University, Chicago, IL*

2007- 2008 *Research Consultant, Toxoplasmosis Center, Department of Pediatrics, University of Chicago, IL*

2008- 2010 *Research Consultant, General Academic Pediatrics, Children's Memorial Hospital, Chicago, IL*

2008- 2010 *Research Consultant, Adolescents with Chronic Disease Transition Project, Children's Memorial Hospital, Chicago, IL*

#### Clinical

1999 *Undergraduate Intern, Practicum in Human Development and Psychological Services, Department of Child and Adolescent Psychiatry, Children's Memorial Hospital, Chicago, IL*

2000- 2005 *Psychology Trainee, Division of Behavioral Pediatrics and Psychology, Rainbow Babies and Children's Hospital, Cleveland, OH*

2001- 2002 *Psychology Trainee, Laurelwood Hospital and Counseling Center, Cleveland, OH*

2002- 2003 *Psychology Trainee, Department of Child Psychiatry and Pediatrics, MetroHealth Medical Center, Cleveland, OH*

2003- 2004 *Clinical Consultant, Pediatric Muscle Clinic, Department of Pediatrics, MetroHealth Medical Center, Cleveland, OH*

2003, 2004 *Clinical Consultant, Summer Camp for Children and Adolescents with Muscular Dystrophy, Camp Cheerful, Strongsville, OH*

2003, 2004 *Clinical Consultant, Summer Camp for Children and Adolescents with Diabetes, Camp Ho Mita Koda, Newbury, OH*

2006- 2008 *Clinical Supervisor, Wellness Center, Loyola University Chicago, IL*

2006- 2008 *Clinical Consultant, Anixter Village Program, Anixter Center, Chicago, IL*

#### **HONORS AND AWARDS**

1998- 2000 *Dean's Academic Honor List, Northwestern University*

1999 *Owen L. Coon Scholar, Northwestern University*

2006 *Pediatric Rehabilitation Psychology (Division 22, Section 1), Student Poster Award*

2007- 2009 *Recipient, National Institutes of Health Pediatric Loan Repayment Program*

2009- 2010 *Recipient, National Institutes of Health Pediatric Loan Repayment Renewal*

2009, 2011 *Recipient, White, Yellow, and Green Belts, Shriners Hospitals for Children LEAN Six-Sigma*

- 2012 American Spinal Injury Association Annual Meeting, 1<sup>st</sup> Place Poster Presentation
- 2020 Elected as Fellow, American Psychological Association. Division 54 Pediatric Psychology
- 2021 Elected as Fellow, American Psychological Association, Division 22 Rehabilitation Psychology
- 2022 Distinguished Service Award, American Spinal Injury Association
- 2023 Fellow, American Spinal Injury Association (FASIA)

## **EDITORIAL ACTIVITIES**

### Editor

- 2016- *Topics in Spinal Cord Injury Rehabilitation*

### Associate Editor

- 2015- *Developmental Medicine and Child Neurology*

### Editorial Board

- 2010-2015 *Developmental Medicine and Child Neurology*
- 2011-2020 *Physical & Occupational Therapy in Pediatrics*
- 2012-2015 *Topics in Spinal Cord Injury Rehabilitation*
- 2012-2016 *Journal of Pediatric Psychology* (reviewer panel 2008-2011, reviewer 2005-2008)

## **REVIEWER ACTIVITIES**

### Journal

- 2005 *Children's Health Care*
- 2005 *Health and Quality of Life Outcomes*
- 2006 *Journal of Neurosurgery*
- 2007-2008 *BioMed Central Complementary and Alternative Medicine*
- 2008-2009 *Developmental Medicine and Child Neurology*
- 2010 *International Perspectives on Spinal Cord Injury*
- 2011 *Child: Care, Health & Development*
- 2011-2012 *Clinical Orthopaedics and Related Research*
- 2015 *Rehabilitation Psychology*

### Grant

- 2013 *Reviewer, Paralyzed Veterans of America*

### Conference

- 2007 *Reviewer, Society of Pediatric Psychology Routh Student Research Award*
- 2011 *Reviewer, Society of Pediatric Psychology National Conference*
- 2012 *Reviewer, Howard H. Steel Conference on Pediatric Spinal Cord Injury and Dysfunction, Lake Buena Vista, FL*
- 2012 *Reviewer, Society of Pediatric Psychology Regional Conference*
- 2013 *Reviewer, Society of Pediatric Psychology National Conference*
- 2014 *Reviewer, American Psychological Association's Convention, Division 54 section*
- 2021 *Reviewer, 23<sup>rd</sup> Annual Rehabilitation Psychology Conference*

### Award

- 2015 *Chair, Review Committee, Vogel Award for Excellence in Publishing in Pediatric Spinal Cord Injury, American Spinal Injury Association*
- 2016- *Chair, Review Committee, Illinois Spina Bifida Association Professional Advisory Council Research Award*

## PROFESSIONAL ORGANIZATIONS

### International

- 2011- International Spinal Cord Society (*Member*)
- Task Force on Quality of Life (2016-2017)
  - *Core Member*, Rick Hansen Institute, International Spinal Cord Injury (SCI) Data Sets: Pediatric modifications (2017-2018; *Review Committee* 2015-2016)
  - *Governing Panel*, Psychosocial Special Interest Group (2024- ; *Member* 2019-2023)
  - Working Group for International Spinal Cord Injury (SCI) Psychological Functioning Basic Data Set (2020-2022) and Extended Data Set (2022- )
  - *Co-Chair*, Paediatric Special Interest Group (2023- )
  - *Elected Member*, Scientific and Research Committee (2023- )

### National

- 2008- American Academy for Cerebral Palsy and Developmental Medicine (*Member*)
- Publication Committee (2009-2016)
  - Scientific Program Committee (2014-2015)
  - **Board of Directors**, *Director at Large* (2015-2018)
    - *Board liaison*, Advocacy Committee (2015-2018)
  - Care Pathways Committee (2018-2020)
  - Board of Directors Nominating Committee (2021)
- 2008- 2012 American Association of Spinal Cord Injury Psychologists and Social Workers (*Member*)
- 2000- American Psychological Association (*Fellow* since 2020)
- 2008- American Spinal Injury Association
- **Board of Directors** (2016-2022)
    - *Board liaison*, Electronics Communication Committee (2018-2022)
  - Pediatrics Committee (2009-2018)
    - *Member* (2009-2012)
    - *Vice chair* (2012-2013)
    - *Chair* (2014-2016)
    - *Board liaison* (2016-2018)
  - Research Committee (2022- )
  - Strategic Planning Committee (2022-)
- 2011- 2013 Health Psychology, Division 38 American Psychological Association (*Member*)
- 2006- Rehabilitation Psychology, Division 22 American Psychological Association (*Fellow*)
- Early Career Task Force (2007- 2008)
- 2000- 2008 Society of Developmental and Behavioral Pediatrics (*Member*)
- 2000- Society of Pediatric Psychology, Division 54 American Psychological Association (*Fellow*)
- Task Force on Science and Practice (2002- 2003)
  - Task Force on Evidence-Based Practice in Psychology (2003)
  - Student Advisory Board (2003- 2005)

- Mentoring Project Committee (2006- 2007)
- Adolescent and Young Adults with Chronic Health Conditions Special Interest Group (2011- 2012)
- Bioethics Special Interest Groups (2020-2021)
- Fellows Committee (2020-2023)
- Sports Medicine and Orthopaedics Special Interest Groups (2023)

2009- 2010 Society of Research on Adolescence (*Member*)

- 2017-
- Steel Assembly: Pediatric Spinal Cord Injury and Dysfunction
    - **Board of Directors** (2017- )
      - *Board liaison*, Education Committee (2018- )
    - *Co-Chair*, Howard H. Steel Conference on Pediatric Spinal Cord Injury and Dysfunction, Sydney, Australia (2018)
    - *Co-Chair*, Howard H. Steel Conference on Pediatric Spinal Cord Injury and Dysfunction, Orlando, Florida (2021)

#### Local

2005- 2008 Illinois Psychological Association (*Member*)

- 2010-
- Illinois Spina Bifida Association
    - **Board of Directors** (2010- 2017)
    - **Chair**, Professional Advisory Council (2011- )
    - *Chair*, Scientific Program Committee, Symposia on Spina Bifida: Current Strategies in Research and Care (2012, 2013)

#### **INSTITUTIONAL SERVICE**

- 2003- 2004 Student Board Member, University Interdisciplinary Training Consortium, Case Western Reserve University School of Medicine and University Hospitals
- 2003- 2004 Student Representative, Clinical Committee, Department of Psychology, Case Western Reserve University
- 2006- 2008 Committee on Diversity Affairs, Loyola University Chicago
- 2008- Clinical Ethics Committee, Shriners Hospitals for Children, Chicago
  - *Chair* (2012-2020)
  - **Program Chair** (2013- ), Irma and Larry Sturm Memorial Ethics Lecture Series
- 2008- Research Committee, Shriners Hospitals for Children, Chicago
- 2014- **Editor**, SCI Informer, A quarterly publication of Shriners Hospitals for Children, Chicago
- 2016- *Member*, Library Committee, Shriners Hospitals for Children, Chicago
- 2017- **Treasurer**, Medical Staff Associates of Chicago Shriners Hospital
- 2017- *Member*, Education and Clinical Training Committee, Department of Psychiatry and Behavioral Sciences, Northwestern University Feinberg School of Medicine, Chicago, IL
- 2020- *Chair*, Psychology Telehealth Workgroup, Shriners Hospitals for Children
- 2020- *Member*, Admissions Committee, Northwestern University Feinberg School of Medicine, Department of Psychiatry & Behavioral Sciences
- 2023- *Member*, Credentialing Committee, Shriners Children's

#### **EXTRAMURAL SERVICE**

- 2000 Conference Organizing Committee, Comprehensive Care for Children with Chronic Physical Illness, Cleveland, OH, October 20-21, 2000

- 2003 Conference Organizing Committee, Measuring Child Health: Critical Challenges in Developing and Applying Health Status and Outcome Measures, Chicago, IL, March 24-25, 2003
- 2004 Organizing Committee, Use of New Technology, Cleveland, OH, October 1-2, 2004
- 2010-2011 The Anixter Village, Chicago, IL, Program Committee
- 2011-2021 *Ambassador*, National Institutes of Health, Pediatric Loan Repayment Program
- 2014-2016 Pan-European Pediatric Spinal Cord Injury Collaboration
- 2014-2016 Steering Committee for Common Data Elements (CDEs) in Spinal Cord Injury, National Institute of Neurological Disorders and Stroke (NINDS)
- 2015-2016 Working Group for Neurocognitive, Social, and Emotional Assessments, Common Data Elements (CDEs) in Cerebral Palsy, American Academy for Cerebral Palsy and Developmental Medicine/ National Institute of Neurological Disorders and Stroke (NINDS)
- 2020 Working Group, Spinal Cord Injury Research Evidence (SCIRE) Project, Pediatric chapter

## **TEACHING**

- 2001 *Teaching Assistant*: “Child Psychology.” Undergraduate course at Case Western Reserve University.
- 2002 *Teaching Assistant*: “Introduction to Psychology.” Undergraduate course at Case Western Reserve University.
- 2002, 2003 *Instructor*: “Assessment and Management of Psychosocial Issues in Pediatric Patients.” Pediatric Residency course at MetroHealth Medical Center
- 2003 *Graduate Student*: “Teaching Psychology.” Graduate course at Case Western Reserve University.
- 2003- 2005 *Instructor*: “Methods of Assessment Practicum.” Graduate course at Case Western Reserve University.
- 2004 *Instructor*: “Attachment Theory across the Lifespan.” Undergraduate course at Case Western Reserve University.
- 2004- 2005 *Lecturer*: “Pediatric sleep problems.” Medical school didactics at Case Western Reserve University School of Medicine.
- 2008 *Instructor*: “Cognitive Behavioral Therapy.” Graduate course at Loyola University Chicago.
- 2011 *Instructor*: “Evidence-Based Practice in Clinical Psychology.” Graduate course at Loyola University Chicago

## Invited Lectures

- 2003 *A healing process: Coping with a father’s terminal illness and death* (November 7). Clinical case conference at Case Western Reserve University.
- 2004 *Treatment of an 11-year-old child with multiple presenting concerns* (February 17). Clinical case conference at Rainbow Babies and Children’s Hospital.
- 2004 *Developmental and behavioral pediatrics* (Fall). Lecture for medical students at Case Western Reserve University School of Medicine.
- 2005 *Treatment of an 8-year-old child with inadequate sleep hygiene* (March 8). Clinical case conference at Rainbow Babies and Children’s Hospital.
- 2006 *A modern look at the Age of Aquarius: Clinical implications* (April 10). Clinical case conference at Children’s Memorial Hospital.
- 2006 *Health-related quality of life and pain in children and adolescents with Duchenne or Becker muscular dystrophy* (May). Invited Presentation at the Virginia Tarlow, MD, Grand Rounds: Annual Scholar’s Day, Department of Psychiatry and Behavioral Sciences, Feinberg School of Medicine, Northwestern University.

- 2006 *Sleep in children and adolescents* (June 23 & September 15). Lecture for Child/ Pediatric Psychology Predoctoral Internship Program, Seminar in Neuropsychology, Children's Memorial Hospital.
- 2006 *Developmental and behavioral pediatrics* (Fall). Lecture for medical students at Feinberg School of Medicine, Northwestern University.
- 2007 *Change over time: Psychosocial and family functioning in adolescents with spina bifida* (December). Invited Presentation at the Academic Day Conference, Department of Neurological Surgery, Feinberg School of Medicine, Northwestern University.
- 2008 *Therapy with children and adolescents* (Spring). Lecture for graduate students, Introduction to the Profession of Clinical Psychology, Loyola University Chicago.
- 2008 *Sleep in children and adolescents* (March 25). Lecture for graduate students, Clinical Treatment: Children and Adolescents, Loyola University Chicago.
- 2008 *Psychosocial functioning of young adults with pediatric-onset spinal cord injury* (November 21). Invited Presentation at the 19<sup>th</sup> Annual Sofield Day, Shriners Hospitals for Children, Chicago.
- 2009 *Psychosocial functioning of young adults with pediatric-onset spinal cord injury* (April 1). Spinal Cord Injury Lecture Series at Shriners Hospitals for Children, Chicago.
- 2009 *Psychosocial and family functioning in adolescents with spina bifida: A longitudinal study* (June). Invited Presentation at the Rush Psychology Grand Rounds, Department of Behavioral Sciences, Rush University Medical Center.
- 2009 *Pediatric sleep and neurobehavioral consequences of sleep disorders* (November 20). Lecture for Child/ Pediatric Psychology Predoctoral Internship Program, Seminar in Neuropsychology, Children's Memorial Hospital.
- 2010 *The transition from adolescence to emerging adulthood in youth with disabilities and chronic health conditions* (September 10). Keynote address at the Transitional Care in Osteogenesis Imperfecta: Advances in Biology, Technology and Clinical Practice Symposium, Shriners Hospitals for Children, Chicago.
- 2010 *Pediatric sleep and neurobehavioral consequences of sleep disorders* (October 29). Lecture for Child/ Pediatric Psychology Predoctoral Internship Program, Seminar in Neuropsychology, Children's Memorial Hospital.
- 2010 *Overview of research study: Long-term outcomes in pediatric-onset spinal cord injury* (November 3). Spinal Cord Injury Lecture Series at Shriners Hospitals for Children, Chicago.
- 2010 *Long-term outcomes of individuals with pediatric-onset spinal cord injury* (November 12). Invited Presentation at the 21<sup>st</sup> Annual Sofield Day, Shriners Hospitals for Children, Chicago.
- 2011 *Behavioral sleep problems in adolescents* (February 15). Lecture for teaching staff at Saint Ignatius College Prep, Chicago.
- 2011 *Use of attendant care in individuals with pediatric-onset spinal cord injury* (May 20). Invited Presentation at the 6<sup>th</sup> Annual Millar Day, Shriners Hospitals for Children, Chicago.
- 2011 *An overview of pediatric spinal cord injuries: Clinical and research implications* (July 14). Invited Presentation at Stoke Mandeville Hospital, Aylesbury, Buckinghamshire, United Kingdom.
- 2011 *Anatomy and medical complications of spinal cord injuries* (November 3). Lecture for graduate students, Neuropsychology, Loyola University Chicago.
- 2013 *Pathophysiology and secondary health conditions of pediatric spinal cord injuries* (September 16). Lecture for graduate students, Neuropsychology, Loyola University Chicago.
- 2013 *Long-term outcomes and sexuality* (October 12). Invited Presentation at the 3<sup>rd</sup> Annual Lawrence C. Vogel Pediatric Spinal Cord Injury (SCI) Symposium: An

- Interdisciplinary Approach to the Unique Issues of SCI, Shriners Hospitals for Children, Chicago.
- 2014 *Pediatric spinal cord injury: anatomy and pediatric rehabilitation.* (May 22). Lecture for Clinical Psychology Pre-doctoral Internship Program, Department of Behavioral Sciences, Rush University Medical Center.
- 2014 *Maintaining your emotional health* (August 2). Invited Presentation at Caring for Caregivers: Supporting Caregivers of Youth with Spinal Cord Injury Forum, Shriners Hospitals for Children, Chicago.
- 2014 *Participation, quality of life, and mobility- A research perspective* (October 4). Invited Presentation at the 4<sup>th</sup> Annual Lawrence C. Vogel Pediatric Spinal Cord Injury (SCI) Symposium: An Interdisciplinary Approach to the Unique Issues of SCI, Shriners Hospitals for Children, Chicago.
- 2014 *Suicide prevention* (October 14). Lecture for hospital in-service, Shriners Hospitals for Children, Chicago.
- 2014 *Sexuality in spinal cord injury: Anatomy, pathophysiology, management, and outcomes* (November 5). Spinal Cord Injury Lecture Series at Shriners Hospitals for Children, Chicago.
- 2015 *The role of pediatric psychology in a hospital setting* (March 10). Professional Psychology Seminar for clinical psychology doctoral students, DePaul University, Chicago.
- 2015 *Single parenting and children with spinal cord injuries.* (August 1). Invited Presentation at Caring for Caregivers: Supporting Caregivers of Youth with Spinal Cord Injury Forum, Shriners Hospitals for Children, Chicago.
- 2015 *Social and sexual functioning in adolescents with spinal cord injury.* (August 1). Invited Presentation at Caring for Caregivers: Supporting Caregivers of Youth with Spinal Cord Injury Forum, Shriners Hospitals for Children, Chicago.
- 2015 *Anatomy, pathophysiology, and rehabilitation in youth with spinal cord injuries* (September 21). Lecture for graduate students, Neuropsychology, Loyola University Chicago.
- 2015 *Trends in pain and behavioral management techniques* (October 3). Invited Presentation at the 5<sup>th</sup> Annual Lawrence C. Vogel Pediatric Spinal Cord Injury (SCI) Symposium, Shriners Hospitals for Children, Chicago.
- 2016 *Advances in pediatric spinal cord injury care* (November 11). Invited Presentation at the 27<sup>th</sup> Annual Sofield Day, Shriners Hospitals for Children, Chicago.
- 2017 *Transition from pediatric to adult care in spinal cord injury* (May 10). Lecture for clinical psychology doctoral students, Rosalind Franklin University of Medicine and Science, North Chicago, IL.
- 2017 *Spinal cord injury and care* (October 13). Invited Presentation at the 4<sup>th</sup> Annual Pediatric Healthcare Series, University of Findlay, Findlay, Ohio.
- 2018 *Executive functioning in children with spina bifida* (February 11). Invited Presentation for the Illinois Spina Bifida Association, Chicago.
- 2018 *Pediatric Brain Injury* (February 13, 2018). Invited Presentation for Shriners Hospitals for Children, Chicago.
- 2018 *Psychosocial Support and the Role of Pediatric Psychology* (May 19, 2018). Invited Presentation for Arthrogyposis Family Education Day, Shriners Hospitals for Children, Chicago.
- 2018 *Providing Psychological Care* (September 19, 2018). Invited Presentation for the Great Lakes Shrine Association 69<sup>th</sup> Annual Fall Ceremonial and Business Session, Grand Rapids, MI.
- 2018 *Depression, Suicidality, and Psychological Care* (October 23, 2018). Invited Presentation for the Shriners Hospitals for Children, Chicago Board of Governors' Research meeting, Chicago, IL.

- 2019 *Psychosocial Functioning and Adolescent Scoliosis* (June 1, 2019). Invited Presentation for Scoliosis Family Education Day, Shriners Hospitals for Children, Chicago.
- 2019 *Long-term Outcomes of 30-year Survivors of Pediatric-Onset Spinal Cord Injuries* (October 17, 2019). Invited Presentation for Shriners Hospitals for Children, Chicago.
- 2021 *Overview of Psychological Needs in Pediatric Patients* (June 2, 2021). Lecture for pediatric orthopaedic surgeon residents, Shriners Hospitals for Children, Chicago.
- 2021 *Treating Pediatric Spinal Cord Injury: Considerations for Rehabilitation and Long-Term Management* (July 14, 2021). Virtual Grand Rounds for Shriners Hospitals for Children, Chicago.
- 2022 *Transition to Adult Care in Pediatric Spinal Cord Injury* (October 14, 2022). Virtual Grand Rounds, Western Michigan University Homer Stryker M.D. School of Medicine, Kalamazoo, MI.
- 2023 *Current Issues in Pediatric Mental Health* (May 19, 2023). Lecture for Medinah Shriners Ladies Patio Chat, Addison, IL.
- 2023 *Psychological Needs in Youth with Scoliosis* (July 17, 2023). Lecture for Higgy-Con, Annual Higgy Bears Convention, Kalamazoo, MI.
- 2024 *Psychosocial and Long-term Outcomes in Pediatric Spinal Cord Injury* (March 3, 2024). Keynote Lecture for Socrates Award, Brennan Rehabilitation Foundation, Wilmette, IL.
- 2024 *Children and Adolescents with Pediatric-Onset Spinal Cord Injury: Unique Considerations* (March 14, 2024). Psychiatry and Behavioral Sciences Grand Rounds Series for Rush University Medical Center, Chicago, IL.
- 2024 *Psychological Needs of Children and Adolescents with Chronic Medical Conditions and Physical Disabilities* (March 26, 2024). Invited Presentation for Shriners Children's Chicago Board of Governors, Chicago, IL.

#### Dissertation Committees

- 2011 Caitlin Roache, PhD, Loyola University Chicago: "Social cognitive functioning and social competence in children and adolescents with spina bifida and hydrocephalus: A social cognitive neuroscience as a model."
- 2012 Bonnie Essner, PhD, Loyola University Chicago: "The association between condition severity and social competence in youth with spina bifida: The impact of psychosocial factors and the mediating role of activity limitations."
- 2014 Rachel Wasserman, PhD, Loyola University Chicago: "Profiles of neuropsychological functioning in children and adolescents with spina bifida."
- 2015 Alexandra Psihogios, PhD, Loyola University Chicago: "A longitudinal examination of a bio-neuropsychosocial model for predicting medical adherence and autonomy in youth with spina bifida."
- 2017 Andrea Wojtowicz, PhD, Rosalind Franklin University of Medicine and Science: "Participation and life satisfaction in individuals with pediatric onset spinal cord injury."
- 2017 Jacklyn Papadakis, PhD, Loyola University Chicago: "The impact of sociodemographic factors on health-related neuropsychological, and psychosocial functioning in youth with spina bifida."
- 2018 Natasha Pouloupoulos, PhD, Rosalind Franklin University of Medicine and Science: "Longitudinal associations between parent/ family functioning and child adjustment in children with spinal cord injury."
- 2019 Taryn Rosner, OTD, Thomas Jefferson University: "Occupational therapy's potential role in supporting transition to work for youth with intellectual disabilities."

- 2021 Eric Peist, DePaul University: “Pain, participation, and long-term outcomes among pediatric-onset spinal cord injury participants.”
- 2020 McKenzie Bourque, Rosalind Franklin University of Medicine and Science: “An application of the Integrated Trajectory Model of pediatric traumatic medical stress to type 1 diabetes.”
- 2023 Elicia Wartman, Loyola University Chicago: “The effectiveness of a camp-based intervention to promote health-related and social functioning in first time campers with spina bifida.”
- 2024 Olivia Clark, Loyola University Chicago: “Youth and parent knowledge and perceptions of spina bifida: Associations with neurocognitive factors and self-management skills.”

#### Clinical Qualifying Exam Committees

- 2017 Kelsey R. Howard, M.A., Department of Psychiatry and Behavioral Sciences, Northwestern University Feinberg School of Medicine, Chicago, IL
- 2023 Ashley Murphy, M.A., M.S., Department of Psychiatry and Behavioral Sciences, Northwestern University Feinberg School of Medicine

#### **TRAINEES**

##### *Clinical Psychology Externs*

- 2010- 2011 Bonnie Essner, M.A., Loyola University Chicago
- 2011- 2012 Rachel Wasserman, M.A., Loyola University Chicago
- 2012- 2013 Amanda Ward, M.A., Loyola University Chicago
- 2013 Ashley Moss, BA, Marquette University
- 2013 Christina Roberts, M.A., Illinois Institute of Technology
- 2013- 2015 Christina Holbein, M.A., Loyola University Chicago
- 2013- 2014 Eve Nguyen, M.S., Rosalind Franklin University of Medicine and Science
- 2014- 2015 Caitlin Murray, M.A., Loyola University Chicago
- 2014- 2015 Kyle Deane, M.A., Loyola University Chicago
- 2014- 2015 Andrea Wojtowicz, M.S., Rosalind Franklin University of Medicine and Science
- 2015- 2016 Natasha Pouloupoulos, M.S., Rosalind Franklin University of Medicine and Science
- 2015- 2016 Nicholas Hartley, M.A., M.M., Roosevelt University
- 2016-2017 Carolyn Bates, M.A., Loyola University Chicago
- 2016-2017 Samantha Carreon, M.S., Rosalind Franklin University of Medicine and Science
- 2016-2018 Julie D’Amico, M.A., DePaul University
- 2016-2017 Jacklyn Papadakis, M.A., Loyola University Chicago
- 2017-2018 Lindsey Bugno, M.S., Rosalind Franklin University of Medicine and Science
- 2017-2018 Caleb Figge, M.A., DePaul University
- 2017-2018 Lindsay Katz, M.A., Roosevelt University
- 2017-2018 Dorothy McLeod Loren, M.A., Loyola University Chicago
- 2017-2018 Jessica Arizaga, M.A., DePaul University
- 2018-2019 Colleen Driscoll, M.A., Loyola University Chicago
- 2018-2019 Eric Peist, M.A., DePaul University
- 2018-2019 Mary Lee, M.A., Wheaton College
- 2019-2020 McKenzie Bourque, M.S., Rosalind Franklin University of Medicine and Science
- 2019-2020 Laura Distel, M.A., Loyola University Chicago
- 2019-2020 Hayley Goldenthal, M.S., Northwestern University Feinberg School of Medicine
- 2019-2020 Laura Nicholson, M.A., Loyola University Chicago
- 2019-2020 Alexa Stern, M.A., Loyola University Chicago
- 2020-2021 Donna Azcuna, M.A., Wheaton College
- 2020-2021 Robert Banty, M.A., Rosalind Franklin University of Medicine and Science
- 2020-2021 Lindsay Durkin, M.S., Rosalind Franklin University of Medicine and Science
- 2020-2021 Maja Palmquist, M.A., Roosevelt University

2020-2022 Elicia Wartman, M.A, Loyola University Chicago  
 2021-2022 Molly Antimarino, MSW, Roosevelt University  
 2021-2022 Estée Feldman, M.S., Rosalind Franklin University of Medicine and Science  
 2021-2022 Alison Oh, M.S., Illinois Institute of Technology  
 2021-2022 Adrien Winning, M.A, Loyola University Chicago  
 2021-2022 Margaret Withington, M.A., DePaul University  
 2022-2023 Helen Bedree, M.A., DePaul University  
 2022-2023 Juliana Berlin, M.A., Roosevelt University  
 2022-2023 Olivia Clark, M.A., Loyola University Chicago  
 2022-2023 Erin Kaseda, M.S., Rosalind Franklin University of Medicine and Science  
 2022-2023 Ashley Murphy, M.A., M.S., Northwestern University Feinberg School of Medicine  
 2022-2023 Afiya Sajwani, M.A., Northwestern University Feinberg School of Medicine  
 2022-2023 Chelsea Torres, M.A., DePaul University  
 2023-2024 Sarah Ethridge, B.S., Northwestern University Feinberg School of Medicine  
 2023-2024 Sabrina Gebreselassie, B.S., Northwestern University Feinberg School of Medicine  
 2023-2024 Sylwia Kokoszka, M.A., Roosevelt University  
 2023-2024 Taylor Macaulay, M.S., Rosalind Franklin University of Medicine and Science  
 2023-2024 Allison Payne, M.A., Loyola University Chicago  
 2023-2024 Mary Simons, M.S., Marquette University  
 2024-2025 Krista Ekberg, M.S., Rosalind Franklin University of Medicine and Science  
 2024-2025 Meghan Howe, M.S., Rosalind Franklin University of Medicine and Science  
 2024-2025 Brittany Ricart, M.A., DePaul University  
 2024-2025 Shelby Sellars, M.A., Roosevelt University  
 2024-2025 Aubry Wood, M.A., Roosevelt University

*Postdoctoral Fellows*

2011- 2014 Miriam Hwang, MD, PhD, Research Fellow, Marquette University  
 2012- 2016 Alicia January, PhD, Clinical Psychology/ Research Fellow, Marquette University/ Shriners Hospitals for Children, Chicago  
 2018-2020 Kyle Deane, M.A., Clinical Psychology/ Research Fellow, Shriners Hospitals for Children, Chicago  
 2023-2025 Justine Stewart, PsyD, Clinical Psychology/ Research Fellow, Shriners Children’s Chicago

**GRANT AWARDS**

Current

01/2013- 12/2024 *PI:* The Irma and Larry Sturm Memorial Ethics Lecture, Peter Sturm. (10000-2896; \$20,000)  
 Aim: to highlight ethical issues across disciplines and encourage thought and exploration of these issues among residents, students, and faculty.  
 04/2019-03/2025 *Co-I:* Prediction of Shoulder Injury for Disease Prevention in Children and Adults with Spinal Cord Injury Using Advanced Biomechanical Modeling and Diagnostic Imaging. National Institutes for Health. National Center for Medical Rehabilitation Research/ Eunice Kennedy Shriver National Institute of Child Health and Human Development. 2% (R01HD098698-01; \$2,495,036; PI: Brooke Slavens, PhD)  
 Aim: to investigate pathology, pain, and function in manual wheelchair users for prevention of musculoskeletal diseases in individuals with pediatric- and adult-onset spinal cord injury.

- 01/2023-12/2024 *Collaborator:* Validation of the Pediatric Appraisals of DisAbility Primary and Secondary Scale. Shriners Children’s Developmental Grant. 5% (79156-CHI-23; \$94,700; PI: Kyle Deane, PhD)  
Aim: to develop and validate a measure of cognitive appraisals for youth with spinal cord injury
- 04/2023-4/2025 *Collaborator:* Validation of the Pediatric Appraisals of DisAbility Primary and Secondary Scale. Craig H. Neilsen Foundation Psychosocial Research Pilot Grant 5% (977884; \$310,000; PI: Kyle Deane, PhD)  
Aim: to develop and validate a measure of cognitive appraisals for youth with spinal cord injury
- 11/2023-11/2024 *PI:* Psychological treatment of children and adolescents with disabilities. Masonic Family Health Foundation. (\$50,000)  
Aim: to provide evidence-based psychological interventions to youth with a wide range of orthopaedic, neurological, and muscular conditions and disabilities, who are at increased risk for emotional and behavioral difficulties
- Past
- 08/2000-06/2005 *Graduate student:* Research training in pediatric psychology, National Institute of Mental Health (T32 MH018830-14 to -18; \$813,134; 1987-2007; PI: Dennis Drotar, PhD, Case Western Reserve University)  
Aim: to train predoctoral graduate students to conduct clinical, outcome evaluation and applied research with pediatric populations
- 07/2006-06/2008 *Postdoctoral Fellow:* Psychosocial adjustment in adolescents with spina bifida, National Institute of Child Health and Development (R01 HD048629-01; \$1,830,722; 2005-2011; PI: Grayson Holmbeck, PhD, Loyola University Chicago)  
Aim: to evaluate a developmentally oriented bio-neuropsychosocial model of psychological adjustment in young adolescents with spina bifida
- 07/2006-06/2008 *PI:* Biological, neuropsychological, and social functioning in young adults with spina bifida residing at The Anixter Village, The Village Foundation Grant. 25% (\$10,000)  
Aim: to comprehensively assess medical and psychosocial functioning of individuals with spina bifida during their transition into independent living.
- 06/2008-07/2008 *PI:* Providing young adolescents with disabilities, work experience and guidance toward adulthood: A Summer Transition Program, Shriners Hospitals for Children. 10% (\$35,000)  
Aim: to provide adolescents a mentored summer work experience and didactics to facilitate successful transition into adulthood.
- 07/2008- 12/2011 *Co-I:* Long-term outcomes and life satisfaction in adults with childhood onset spinal cord injury, Shriners Hospitals for Children, Chicago. 20% (\$100,000/ year; 1998-2011; PI: Lawrence Vogel, MD)  
Aim: to identify long-term outcomes of adults with pediatric-onset spinal cord injury to identify areas for intervention and facilitate successful transition into adulthood.
- 10/2010-09/2015 *Mentor:* Advanced Rehabilitation Research Training in Pediatric to Adult Transition. National Institute on Disability and Rehabilitation Research. (H133P100008; \$750,000; PI: Gerald Harris, PhD)  
Aim: to provide advance education and training in rehabilitation research specific to transitional issues of individuals with pediatric-onset spinal

- cord injury (Mentor for research area: function and outcomes assessment)
- 01/2012- 12/2015 *Co-I:* Relationships between psychosocial factors of youth with spinal cord injury and their caregivers, Shriners Hospitals for Children. 5%. (\$673,418; PI: Erin Kelly, PhD)  
Aim: to identify psychosocial outcomes of youth with spinal cord injuries and the relationship of these outcomes with caregiver characteristics.
- 04/2014- 03/2016 *Collaborator:* Caring for caregivers: Supporting caregivers of youth with spinal cord injury, Craig H. Neilsen Foundation. 5% (\$299,113; PI: Erin Kelly, PhD)  
Aim: to evaluate an intervention to increase social support for caregivers of youth with spinal cord injury
- 04/2015- 12/2017 *PI:* Living with SCI: Middle adulthood psychosocial outcomes of pediatric SCI, Craig H. Neilsen Foundation. 10% (324671; \$268,704)  
Aim: to evaluate attainment of developmental milestones in middle adulthood and identify areas to target in pediatric rehabilitative care to promote successful transition to adulthood
- 09/2017-07/2018 *Consultant:* Self-Management in Adolescents and Young Adults with Spina Bifida, National Institute of Nursing Research (R01 NR016235-01A1; \$363,896; PI: Grayson Holmbeck, PhD, Loyola University Chicago)  
Aim: to extend the ongoing longitudinal program of research (the Chicago Healthy Adolescent Transition Study) by testing the utility of an innovative longitudinal conceptual model of self-management and the transition to adult health care in young adults with spina bifida.
- 04/2017-09/2018 *Collaborator/ site PI:* Pediatric modifications to the International Spinal Cord Injury Data Sets, Rick Hansen Institute. 5%. (\$120,000; PI: MJ Mulcahey, PhD)  
Aim: to evaluate the utility and relevance of the International SCI Core and Basic Data Sets for children and youth with SCI and develop pediatric-specific data sets.
- 09/2014-10/2018 *Co-I:* The process of adjustment among caregivers of individuals with spinal cord injury: A qualitative study, Department of Defense Spinal Cord Injury Research Program, Qualitative Research Award. 2% (\$496,001; PI: Erin Kelly, PhD)  
Aim: to evaluate relationships between psychosocial and physical outcomes in young adults with spinal cord injury and their caregivers from four distinct backgrounds (veterans, inner city, urban, and pediatric-onset SCI)
- 10/2014-09/2019 *Mentor:* Advanced Rehabilitation Research Training in Pediatric Mobility for Physicians and Engineers. National Institute on Disability and Rehabilitation Research. (H133P140023; \$750,000; PI: Gerald Harris, PhD)  
Aim: to provide advanced education and training in rehabilitation research specific to pediatric mobility. (Mentor for research area: functional assessment/outcomes measurement)
- 01/2016-12/2019 *PI:* Understanding the transition to adulthood among youth with spinal cord injury, Shriners Hospitals for Children. 10% (71010; \$495,284)  
Aim: To understand the facilitators and barriers to transition among youth with SCI, identify whether adolescent data on psychosocial outcomes can predict future transition outcomes, and to develop a list of intervention components to foster positive transition among youth with SCI.

- 04/2018-03/2020 *Collaborator/ site PI: The Occupational Performance Coaching Model for caregivers of youth with spinal cord injury: A feasibility study. Craig H. Neilsen Foundation. 2%. (533863; \$200,000; PI: MJ Mulcahey, PhD)*  
 Aim: to establish the feasibility of OPC with caregivers of children with SCI and establish and validate standardized methodological procedures for a future multi-center study on the effectiveness of OPC as an intervention for caregivers for youth with SCI.
- 04/2018-04/2022 *Co-I: Development and initial validation of the PedsQL™- SCI Module, Craig H. Neilsen Foundation. 7.5% (542021; \$438,086; PI: Lawrence Vogel, MD)*  
 Aim: to develop and conduct initial validation of an SCI-specific module of the PedsQL™ for youth and emerging adults with SCI: the PedsQL™ SCI Module
- 04/2019-04/2021 *Collaborator: Promoting sleep and health needs of young adults with spinal cord injury, Craig H. Neilsen Foundation (594373; \$190,000; PI: Alicia January, PhD)*  
 Aim: to explore the prevalence of unhealthy lifestyle behaviors (sleep, activity, and diet) and assess the health outcomes associated with unhealthy behavior among young-adults with pediatric-onset SCI; to develop and evaluate a brief intervention to improve unhealthy behaviors
- 04/2020-08/2021 *Mentor: Rehabilitation, education, and employment: A multi-dimensional analysis of service coordination for adolescents/young adults, Craig H. Neilsen Foundation Postdoctoral Fellowship (645518; \$150,000; PI: Carol Haywood, PhD)*  
 Aim: is to conduct a multi-dimensional, risk-informed analysis of ways that adolescents/ young adults gain access to education and vocational rehabilitation in IL after SCI to understand factors in the coordination of systems and processes that are barriers to and facilitators of services.
- 04/2021-02/2022 *Mentor: Adapting the Appraisals of DisAbility Primary and Secondary Scale for the Pediatric Spinal Cord Injury Population, Craig H. Neilsen Foundation Postdoctoral Fellowship (720838; \$75,000; PI: Kyle Deane, PhD)*  
 Aim: To develop and validate a pediatric measure of cognitive appraisal of disability following pediatric spinal cord injury, a key factor of psychological functioning influencing health, functioning, and quality of life
- 01/2012-12/2022 *PI: Long-term outcomes and life satisfaction in adults with childhood onset spinal cord injury, Shriners Hospitals for Children, Chicago. 20% (CHI9941; \$100,000/ year)*  
 Aim: to identify long-term outcomes of adults with pediatric-onset spinal cord injury to identify areas for intervention and facilitate successful transition into adulthood.
- 01/2019-12/2023 *PI: Psychological Functioning: Assessment and treatment of children and adolescents with disabilities, Clifford & LaVonne Graese Foundation. 2% (67050; \$300,000)*  
 Aim: to provide psychological assessment and evidence-based interventions to youth with a wide range of orthopaedic, neurological and muscular conditions and disabilities, who are at increased risk for emotional and behavioral difficulties

165. Chlan, K., Deane, K., Vogel, L., & **Zebracki, K.** (2024, August). Living with SCI: 35 year medical and psychosocial outcomes. [Poster presentation]. Paralyzed Veterans of America Summit 2024 + Expo, Anaheim, CA.

#### E. Instructional Courses and Symposia

1. Vogel, L., **Zebracki, K.**, Mulcahey, M., Betz, R., & Graham, A. (September 4, 2012). *Review of current recommended treatment and management practices of children and adolescents with a spinal cord injury* [Symposium]. 51<sup>st</sup> Annual Scientific Meeting of the International Spinal Cord Society, London, UK.
2. Mulcahey, M., DeVivo, M., Wilson, P., Betz, R., **Zebracki, K.**, Bogdan, W., Klaas, A., & Vogel, L., (May 7, 2013). *Pediatric-adolescent spinal cord injury over the last 40 years* [Instructional Course]. 40<sup>th</sup> Anniversary Annual Scientific Meeting of the American Spinal Injury Association, Chicago, IL.
3. Vogel, L., **Zebracki, K.**, & Mulcahey, M. (October 17, 2013). *Pediatric spinal cord injuries in infants and young children* [Instructional Course]. 67<sup>th</sup> Annual Meeting of the American Academy for Cerebral Palsy and Developmental Medicine, Milwaukee, WI.
4. Vogel, L. & **Zebracki, K.** (November 9, 2013). *Long-term outcomes of adults with pediatric-onset spinal cord injuries* [Instructional Course]. International Association of Rehabilitation Professionals 2013 Forensic Conference, Charleston, SC.
5. Betz, R., Mulcahey, M., Vogel, L., & **Zebracki, K.** (September 2, 2014). Comprehensive interprofessional approach to management of pediatric spinal cord injury [Instructional

- Course]. 53<sup>rd</sup> International Spinal Cord Society Annual Scientific Meeting, Maastricht, The Netherlands.
6. **Zebracki, K.**, Taylor, H., Kelly, E., Russell, H., Augutis, M. (May 14, 2015). The transition from pediatric to adult care: Key elements and challenges [Workshop]. 4<sup>th</sup> International Spinal Cord Society and American Spinal Injury Association Joint Scientific Meeting, Montreal, Canada.
  7. Vogel, L., **Zebracki, K.**, & Mulcahey, M. (October 22, 2015). Long-term outcomes for pediatric spinal cord injuries and life-care planning [Instructional Course]. American Academy for Cerebral Palsy and Developmental Medicine 69<sup>th</sup> Annual Meeting, Austin, TX.
  8. **Zebracki, K.**, Kelly, E., Arango-Lasprilla, J., Augustis, M., Garner, E., Hagen, E., Taylor, H., Vogel, L., & Mulcahey, M. (April 26, 2017). *The NINDS pediatric SCI CDEs for psychosocial and quality of life outcome instruments: Implications for research and practice* [Instructional Course]. Howard H. Steel Pediatric Precourse of the 2017 Annual Scientific Meeting of the American Spinal Injury Association, Albuquerque, NM. *Topics in Spinal Cord Injury Rehabilitation*, 23 (Suppl 1), 55-56.
  9. Vogel, L., Carroll, A., **Zebracki, K.**, Noonan, V., Mulcahey, M., & Biering-Sorensen, F. (April 26, 2017). Relevance of the International Spinal Cord Injury Basic Data Sets to children and youth: An inter-professional review with recommendation [Instructional Course]. Howard H. Steel Pediatric Precourse of the 2017 Annual Scientific Meeting of the American Spinal Injury Association, Albuquerque, NM. *Topics in Spinal Cord Injury Rehabilitation*, 23 (Suppl 1), 55-56.
  10. Kelly, E., Espino, S. Russell, H., & **Zebracki, K.** (April 26, 2017). Caregiving across the lifespan of pediatric spinal cord injury [Instructional Course]. Howard H. Steel Pediatric Precourse of the 2017 Annual Scientific Meeting of the American Spinal Injury Association, Albuquerque, NM. *Topics in Spinal Cord Injury Rehabilitation*, 23 (Suppl 1), 60-61.
  11. Russell, H., **Zebracki, K.**, Hicks, T., Espino, S., & Sheaffer, D. (April 28, 2017). Perspectives from both sides of the transition from pediatric to adult care for individuals with spinal cord injury [Instructional Course]. 2017 Annual Scientific Meeting of the American Spinal Injury Association, Albuquerque, NM. *Topics in Spinal Cord Injury Rehabilitation*, 23 (Suppl 1), 107.
  12. Vogel, L., Betz, R., Mulcahey, M., & **Zebracki, K.** (October 24, 2017). Comprehensive interprofessional management of spinal cord injury in infants and young children [Instructional Course]. 56<sup>th</sup> International Spinal Cord Society Annual Scientific Meeting, Dublin, Ireland.
  13. Mulcahey, M., **Zebracki, K.**, Augustis, M., & Behrman, A. (September 13, 2018). Development and validation of International SCI Basic Data Sets in practice areas of high relevance to children and youth [Instructional Course]. 57<sup>th</sup> International Spinal Cord Society Annual Scientific Meeting, Sydney Australia.
  14. **Zebracki, K.**, Mulcahey, M., Betz, R., & Vogel, L. (April 2, 2019). Management of spinal cord injuries in youth and adolescents [Instructional Course]. American Spinal Injury Association Annual Meeting: SCI Summit, Honolulu, Hawaii. *Topics in Spinal Cord Injury Rehabilitation*, 25 (Suppl 1), 1.
  15. Vogel, L., Chlan, K., Cwik, J., Mukherjee, S., & **Zebracki, K.** (2019, September). *Jayanthi Lectureship: Long-term outcomes of 30-year survivors of pediatric-onset spinal cord injuries* [Symposium]. Academy of Spinal Cord Injury Professionals, Inc. 2019 Conference and Expo, Nashville, TN.
  16. **Zebracki, K.** (2022, May). Unique needs of children and adolescents with SCI. [Precourse]. 2022 Annual Scientific Meeting of the American Spinal Injury Association, New Orleans, LA.
  17. **Zebracki, K.** (2022, August). Key elements and challenges in transition from pediatric to adult spinal cord injury care [Virtual Instructional Course]. XIII Congreso Internacional, XXII Congreso Nacional Peruano, Medicina Fisica y Rehabilitacion, Cusco, Peru.

- a. **Zebracki, K.** (2022, August). Key elements and challenges in transition from pediatric to adult spinal cord injury care/ Elementos clave y desafios en la transicion de la atencion pediatrica a la de adultos con lesion de la medula espinal [Virtual Instructional Course]. Pre-Congress of XXIX Congress of the Latin American Medical Association of Rehabilitation/ Pre-Congreso de XXIX Asociacion Medica Latinoamericana de Rehabilitacion, Cochabamba, Bolivia.
  18. Vogel, L., **Zebracki, K.**, Mulcahey, M., Betz, R., & Taylor, J. (2023, October). An update on paediatric SCI: Understanding the life-long complications to improve biopsychosocial function and quality of life [Instructional Course]. 62<sup>nd</sup> International Spinal Cord Society Annual Scientific Meeting, Edinburgh, Scotland.
  19. Betz, R., Mulcahey, M., Vogel, L., & **Zebracki, K.** Complex cases in pediatric-onset spinal cord injury [Precourse- canceled]. 2024 Annual Scientific Meeting of the American Spinal Injury Association, San Juan, Puerto Rico.
  20. **Zebracki, K.** & Perez, M. *Topics in Spinal Injury Rehabilitation Journal and Guidelines for Reviewers* [Instructional Course]. 2024 Annual Scientific Meeting of the American Spinal Injury Association, San Juan, Puerto Rico.
